DOUGLAS COUNTY
COMMUNITY
FOUNDATION

Our Community Emergency Relief Fund provides Douglas County residents immediate assistance in times of critical need.

"We're proud of our partnership with DCCF, as it allows us to directly impact the emergency preparedness of the communities where our employees, customers and partners live and work."

– Amazon head of community affairs in Denver

ORGANIZED

We are the conduit between those in need and those able to provide assistance. You never have to figure out how you can help best; we do that work for you.

CONNECTED

We partner with vetted organizations that provide front line assistance and support in times of a community emergency and connect them with those impacted.

EFFICIENT

The Community Emergency Relief Fund allows those in need immediate access to necessary funds. We distribute them in a timely and efficient manner.
