

Fire Hydrant Flushing Begins This April

The District will be conducting fire hydrant flushing across Castle Pines North Metro District beginning in April as part of yearly system maintenance. Temporary water discoloration or pressure changes may occur, but your water remains safe to drink. Work is expected to be completed by mid-June.

For more info, visit www.cpnmd.org/2026-hydrant-flushing-program or call the District at 303-688-8550.
